never asks you to
pay.**

The 5-minute check before any money
moves. Swipe →

THE RULE

STOP

**Offer + payment
request = stop and
check.**

Not panic. Five minutes of verification, before one coin moves.

CHECK

1

**Find the hotel's
official site yourself.**

Use the careers page and contacts listed there — never the links in the message.

CHECK

2

Verify the recruiter exists.

Full name, confirmed through the official channel — not the one that contacted you.

CHECK

3

**Get the written offer.
Read every line.**

A genuine employer puts it in writing and survives your questions.

CHECK

4

**Check the official
government
employment channel.**

Every Gulf country has one. Verify the job there.

CHECK

5

**No transfers to
personal accounts.
Ever.**

One strict rule that outlasts every story a
scammer tells.

REMEMBER THIS

“

**A real opportunity
survives five minutes of
checking. A fake one
fights it.**

DO ONE THING

**Save this. Send it to
one person job
hunting right now.**
